UBC Thunderbirds Sport Clubs (UBC TSC) is open to any Undergraduate, Graduate, or Exchange Students across all faculties and disciplines. Participants must enroll in at least 9 credits per semester (three courses) with minimum good academic standing, both semester and cumulative.

Practices/Competitions and Academics
Thunderbirds Sport Clubs athletes are students first, and athletes second. Athletes are expected to balance their sport and their academics in a responsible and organized manner. Since competition schedules may require the team to be away for competitions on weekends, athletes should look ahead to coordinate competitions alongside their academic commitments. It is ultimately up to the individual athlete to choose how to manage their time. It is important that the student works with their professors to make up for any missed assignments or exams in advance.

COMPETITION AND TRAINING
UBC TSC Women’s Ultimate currently has 26 rostered players. However, the number of athletes will fluctuate every year. All players will have the opportunity to compete. The team competes in USA Ultimate’s College Division, against Division I (DI) College teams from across North America.

Practices are held 3 times a week and span 2-3 hours. They are held at local Vancouver fields (usually Trillium, Jericho or Trafalgar Park).

OUTSIDE OF THE SPORT
Fundraisers
The team holds a variety of fundraising events, including pub nights, workout classes, showcase games, in which, all proceeds go towards tournament fees and travel costs.

Philanthropic Work
Many members of the Women’s Ultimate Sport Club volunteer to teach at youth ultimate clinics, as well as coach the local junior club ultimate teams. Additionally, the team works in conjunction with UBC TSC for the annual Spin-a-Thon. This event is partnered with Right to Play, to raise awareness and funds for Aboriginal Youth in their pursuit for sports.
